

Kindergarten Registration for the School District of Omro to be held on Tuesday, March 28th.

The School District of Omro will hold their Kindergarten Registration on Tuesday, March 28th at 3:30 and 5:00pm. This is for children who will attend kindergarten in the 2017-2018 school year.

Children must be 5 years old by September 1, 2017 and reside in the Omro School District, or have been accepted through the Open Enrollment process, to be eligible for kindergarten.

Registration night will be held at HB Patch Elementary School. You will need to call Mrs. Zimmer at the school office to register for one of the times for March 28th.

All children must attend with a parent. (No siblings, please.) Students will get a chance to tour the kindergarten classrooms and meet the kindergarten teachers, while parents will stay in the gym for an informational session given by Mr. Dave Wellhoefer, Elementary School Principal, and Ms. Kelly Kozlosky, 4K/Early Learning Program Coordinator.

Sessions are scheduled for one hour each.

Kindergarten registration materials were mailed out during the week of March 13th. If you did not receive your registration packet and you have a child who will qualify to attend kindergarten in the fall, please inform Mrs. Zimmer when you call to reserve your time.

You will need to mail your completed registration forms back to the school by March 28th, or you may bring them with you that evening. Original birth certificates must also be verified before your child is allowed to begin school. If this was not previously done, please bring their original birth certificate along with you on March 28th. (no copies, please)

For any other questions, or to reserve your time, please call Mrs. Phyllis Zimmer at the HB Patch school office at 685-7400.
