School District of Omro Tech Ed Air Ventilation RFP

August 3, 2011

The School District of Omro is currently requesting proposals for the following Tech Ed air ventilation system replacement:

Tech Ed Air Ventilation Replacement

1. Ventilation system should be in line with current state ventilation codes of approximately 25,000 to 30,000 CFM of make up air
2. Extend the ducting into the welding and cutting area with proper supply discharge, return registers, gas piping, crane service, and state and local permits
3. Controls should be setup to align with current District KMC control system
4. Proposal should include removal and disposal of materials
5. Warranty information should be documented
6. Installation should be included
7. Walkthroughs to gain a further understanding of the project will be held on August 11th. Please contact the District Office at 920-685-5666 to schedule an appointment for this day.

The District has been approved for a 2010 Qualified School Construction Bond (QSCB) allocation for this project. The following requirements must be met to assist the District in complying with this federal assistance:

1. The proposals should comply with the Davis Bacon Act
2. The contractor should submit to the District weekly copies of all payroll associated with the project and a certification of compliance with the Davis Bacon Act

Proposals should be submitted for the full replacement. The School District of Omro successfully passed a maintenance referendum on July 12, 2011 to secure funding for this project. The District reserves the right to award each contract as it sees fit and to negotiate the replacement time period with the vendor. The District reserves the right to reject or accept any or all proposals. It should be noted that the District is a tax-exempt organization.

Deadline for submitting proposals is August 18, 2011 by 12 noon. Bids should be marked to the attention of the Board of Education and sent or delivered SEALED. They can be mailed to 455 Fox Trail, Omro, WI 54963. Awards may start as early as August 23, 2011, but no

later than 90 days after the RFP deadline. If interested in viewing the project or you have questions, please contact our District Office at 920-685-5666. Please visit www.omro.k12.wi.us for additional information about our District. Any false or misleading statements found in the proposal will be grounds for disqualification. The District reserves the right, were it may serve the District's best interest, to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. Vendors submitting proposals may be requested to make oral presentations as part of the evaluation process. Final approval and acceptance of the projects will be made by the District's Board of Education.

Thank you,

Nick Curran
Superintendent of Business Operations
